DETAILED ACTION

1. Claims 1-8, 12-14, 18, and 19 are allowed.
2. The following is an examiner's statement of reasons for allowance: The present invention is directed towards a recording/reproducing management device that records the images of program into the recording files in order by changing the target recording file in a predetermined interval, then reproduces the files in their recorded order. Independent claims 1, 12, 18, and 19 identify the uniquely distinct features, "establishing a size of recording files based on a broadcasting time of a program to be recorded and capacity of a storage device in which the recording files are included." The closest prior art does not anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
